Bluesky Mobility

Enjoy a better quality of life.

Since 2001, Bluesky Mobility has been a leading provider of quality and stylish mobility solutions, dedicated to helping Senior Australians enjoy a better quality of life.

Our extensive range of mobility products are specifically designed and manufactured to help you maintain your independence whilst at the same time giving you a safer enjoyment of your home and surroundings.

Scooters

As part of our ongoing commitment to quality and reliability, Bluesky Mobility has sourced our Scooters from a manufacturer reputed for its research, design, innovation and quality. We offer a range of different Scooters which are certified to the standard of quality ISO 9001 and specially designed for Australian conditions, with added options to cater your specific needs.

Our range of stylish, comfortable and reliable Scooters will give you the ability to enjoy a mobile and active lifestyle, improving your quality of life and enabling you to live life to the fullest.

Service and Warranty

Service and Experience... You Can Trust

Bluesky Mobility's strength is our staff. No matter your requirements, our friendly and caring healthcare consultants have the experience and knowledge to help design the right product for your comfort and health needs.

Our trained consultants take the time to talk with you to assess your needs and find out exactly how a Bluesky Mobility product can offer you the maximum health benefit. Our fully equipped mobile showrooms can bring any of our products to your home for a relaxed and obligation-free consultation, demonstration and trial - at no charge

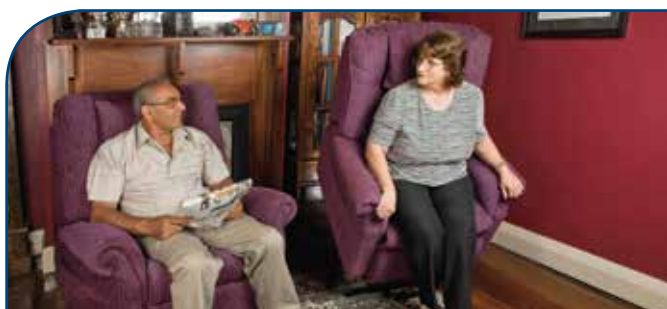

Servicing & Warranty

Bluesky Mobility offers a comprehensive 5 year warranty across our complete range of scooters. The performance of annual servicing and maintenance of your Bluesky Mobility scooter by one of our trained technicians is strongly recommended to ensure the long term reliability, safety and warranty of your product.
