QUINGO TOURA 2

5 WHEEL MOBILITY SCOOTER

The Quingo Toura 2 is the top of the line scooter of the 5-wheel Quingo range. It features countless comfort and safety features, all while maintaining excellent maneuverability for such a substantial machine. With a carrying capacity of 220kg and a travel range of up to 88km this scooter makes the perfect car replacement. Featuring an easy to read digital dash with a battery meter gauge, easy to use speed dial and push-button lighting control the dash has everything that you need exactly where you need it.
